

Boost Your Business and Enhance Your Leadership with Wisdom Centered Coaching Skills!

**This Dynamic Tele-Course for Direct Selling Leaders
is led by Jennie England, MS, PCC
Professional Coach, Author, Seminar and Tele-Course Leader**

Feeling overwhelmed? Too many demands and not enough time? Looking for more Balance In your life? Discover how you can empower others to take responsibility for their own success. Learn the Wisdom Centered Coaching skills and work your business with less stress and more 'heart and ease!' Then you can enjoy the great successes, professionally and personally, that you have always envisioned for yourself and others.

Jennie combines 28 years of experience in the areas of leadership, communication, and teamwork with 12 years as a certified coach by the International Coach Federation and the Coaches Training Institute. She has worked with hundreds of Direct Sellers through her Tele-courses, Live Training, and Individual Coaching

Tele-course participants share the following exciting results:

"I have been a student of this course along with many of our key leaders and I know, without any doubt, that it has been a key element in the success of those who have utilized its learning."

Carol Ranoa

This course is definitely empowering and has an inherent way of bringing joy to our communications with everyone. Thank you for sharing from your heart, for being present with us and for opening another door to our personal potential.

Linda Meyers

"This course is essential for leaders! By using the PC Coaching skills, my team members feel heard, understood and able to access their own wisdom. Their new confidence and commitment allow me to move forward with freedom and ease."

Carolyn Carmen

"This course can change your life! It can make 'light bulbs' light up!" R. Manning
"To think I took this class to help me with my business is an understatement. What I have received back in my personal relationships is more than magical! I am forever grateful to Jennie for bringing alive in me the wisdom to listen and communicate from the heart."

Mary Bauer

"I just had my highest production ever! I no longer feel overwhelmed and am free to run my own business while training my team to run theirs. This is a "must" to become an effective communicator and leader. It is concise, informative and life changing!"

Lois Dillman

What You Will Receive:

The Tele-Course includes learning the **6 Wisdom-Centered Coaching Skills, Coaching Demonstrations, and Application of the Skills** to specific situations you have in building your business, working with your team members, hostesses and customers.

The Coaching Skills you will learn are:

Wisdom Centered

Listening to understand so you can align with your team members and together move forward as you support them to live their dreams!

- ✓ **Acknowledgment** to empower your team members to reach their potential.
- ✓ **Questions** for team members to discover their own answers and take responsibility for their own success.
- ✓ **Action** to create a plan to move forward toward desired goals and outcomes.
- ✓ **Accountability** to support them to do and achieve what they want.
- ✓ **Feedback** to accelerate the learning and growth within your team.

You can begin using the Wisdom Centered Coaching skills after the first class.
