Would you like to expand your learning, enhance your leadership skills and lead your team with more confidence and ease? If so, Session #2, is the right next step for you!

Here's what participants have to say about the course:

"A must for people building teams and very, very helpful in personal growth also?"

- Bunny Lewis

"This course helps you to work with your team in such a way that builds relationships, moves them forward toward success with clarity of vision and workable steps. Using these tools in every area of our lives helps us achieve our purpose and creates balance in all we do. A Fantastic course!"

- Maya Wenger

"A wonderful way to make a difference, be yourself and empower others to be themselves as well and love it! The course has been very freeing!"

- Marlene Crystal

Five one hour interactive, practical calls provide:

- ♥ More confidence and effectiveness in leading and coaching your team
- ♥ New topics, tools, and team-building techniques
- ♥ More heart and ease in working your business and living your life!

The following topics will be covered in this 2nd session.

- ♥ **Tame Your Inner Critic** and take ownership of your life!
- ♥ **Business Wheel** – an assessment tool to check reality and expand your future
- ♥ **Power of Intention** – Tap into this power and watch the magic happen!
- ♥ **Beliefs and Perspectives** - are they supporting or sabotaging you?
- ♥ The format and flow of the **Coaching Call** - to expedite your team member's success
- ♥ How to **Balance** your business and family life for more personal and professional fulfillment

The calls will include information on the above topics that will transform your business and your life! There will also be demonstrations on how to coach others in these areas for the same amazing results.
